

OHK appreciates the process of receiving feedback from the Independent Review Panel. As noted in the communication from the Panel, our last report was prepared before the new GRI Level C Reporting Framework was adopted, and hence a different presentation format, and to a certain extent slight difference in focus. We note the comments from the Panel and would take them into account in preparing our upcoming report, which will be based on the GRI Level C Reporting Framework.

Thank you very much!

Heidi
