5th February 2013

Dear Merle,

Many thanks for your email and feedback regarding our submission of the INGO Accountability Charter Report for 2013. We gratefully received the feedback from the INGO Independent Review Panel and will aim to action the recommendations for inclusion in next year's report. I am particularly pleased that CIVICUS was commended on our good practices on two indicators. You will have noted that we did not have any further or comments regarding our report or the feedback.

I look forward to continuing our collaboration on accountability and transparency issues affecting civil society in 2014 and beyond.

Many thanks for your support.

Best wishes,

Dr. Dhananjayan (Danny) Sriskandarajah
