ACCOUNTABLE NOW

APPOINTMENT OF INTERIM EXECUTIVE DIRECTOR
Accountable Now is a global platform that supports civil society organisations (CSOs) to be transparent, responsive to stakeholders, but most importantly to the people they work for and with. Our members are internationally operating CSOs like Amnesty, CIVICUS, Greenpeace, Oxfam, Plan, Restless Development and Transparency International, who help us drive our agenda, develop and implement cutting edge cross-sector practices that seek to strengthen CSOs’ relationships with communities, partners, activists, staff and donors with the main purpose of increasing their impact.

Accountable Now was founded in 2008 under the name International NGO Charter of Accountability by 10 leading CSOs, including development, humanitarian, environmental, rights-based and advocacy organisations. As membership and global collaboration increase, our collective voice has strengthened. Today, we have 26 member organisations which are active in more than 150 countries and impact stakeholders all over the world.

Annually, our Independent Review Panel assesses reports by all members. In addition, member organisations form a vibrant community of practice, supporting our strong voice for a more accountable enabling environment for civil society globally. The Secretariat of Accountable Now is a UK registered company with charitable status and it is also a gUG non-profit company registered in Germany and based in Berlin.
