

Call for Audit Tender

Deadline February 15

Accountable Now is inviting tenders for the engagement to audit its annual financial statements starting from the 2020 financial year.

Accountable Now is a German charitable organization (gUG). We are a member based platform that provides support to civil society organisations to be more open, transparent, responsive to stakeholders so that they adopt a more dynamic approach to accountability. We currently have 26 members working globally in more than 150 countries and impacting stakeholders all over the world.

Independent auditors and audit firms are invited to submit an expression of interest in participating by 15 February 2021, 6 p.m. CEST via email to Ilna Neshikj, Interim Executive Director of Accountable Now (inesik@accountablenow.org).

After the closing date, you will receive a non-disclosure agreement and you will be asked, among other things, to designate a central contact person for the entire process. Once these documents have been signed and returned, the tender documentation will be sent out with further information about the scope of the call for tenders.
