

Accountable Now Board of Trustees

Call for Nominations

After numerous years of providing support and guidance, Accountable Now is sad to say farewell to Olivier Guth (Adra) and Sekoetlane Phamodi (Accountability Lab). Their departure means that Accountable Now is looking for two individuals to join our board of Trustees. **Member representatives** who are experienced, knowledgeable and are passionate about our sector are more than welcome to apply!

The Secretariat of Accountable Now is a gUG non-profit company registered in Germany and based in Berlin. Accountable Now's Trustees are responsible for overseeing the management of the Secretariat and providing strategic guidance to guarantee that the organisation is advancing its objectives and reaching its long-term goals. To do so, Trustees participate in three meetings per year -usually, one in-person and two online meetings- to discuss the strategic direction, finances and other issues of relevance to the organisation. More information can be found in our [Articles of Association](#).

The **Accountable Now Secretariat welcomes nominations from its members** to join the Board for a three-year term, with the possibility to extend for a second three-year term. Members are encouraged to share the call within their federation and alliances (with a provision that it is an open call). The call will also be shared via the website, social media, and in other communication channels; however, only people working for our [Member](#) organisations will be considered.

A subcommittee including the Chair of the Board and two Trustees along with Accountable Now's Executive Director will be responsible for the process of finding new Trustees. Candidates will be invited for a call in early March. The successful candidate will be invited to officially join the Board in May 2023 once they are formally appointed at our Annual General Meeting.

Based on the organisation's needs and composition of the Board, we would welcome candidates that are knowledgeable about:

- Fundraising – Donor landscape
- Finance and business development
- Communications and Campaigning
- Movement building

Candidates who are from the Global South are encouraged to apply! We would also welcome candidates who are knowledgeable about Germany's operations/compliance/legal systems.

The candidate must adhere to Accountable Now's core values and principles which include but are not limited to being respectful to others, act with integrity, implement and promote the

values and principles established in Accountable Now's [Articles of Association](#), [Strategy](#) and our [12 Accountability Commitments](#).

Nominees are asked to send an email with their name, CV, and a short statement of interest by 28 February 2023. Please email these – and feel free to reach out with any questions – to Rocio Moreno Lopez, Executive Director of Accountable Now (rmlopez@accountablenow.org).

Kind Regards,

Rachel Smith
Chair of the Board
