

**ACCOUNTABILITY PILL**  
YOUR MINI DOSE OF CSO ACCOUNTABILITY

# Youth Engagement Podcast Series

*From the Accountability Pill Podcast - Your Minidose of CSO Accountability*

Part 6 with Maniza Habib and Amani Nelson (Population Institute)

Facilitated by Katie McCarthy (Accountable Now)

**Brief Description:** In Part 6 of our Youth Engagement Series, Maniza and Amani chat about “Behind Closed Doors” - their recent co-authored report with Population Institute. The report is a close examination of the damaging components and underlying factors of gender-based violence in the United States. Maniza and Amani share about their research process, being young researchers, and how their youth perspective positively shaped the report. They also highlight the voices of youth they listened to throughout their research, sharing how CSOs can support young people, especially young survivors of gender-based violence.
